FOR **PIXEL TILES**

STEPS (CNFT Purchase):

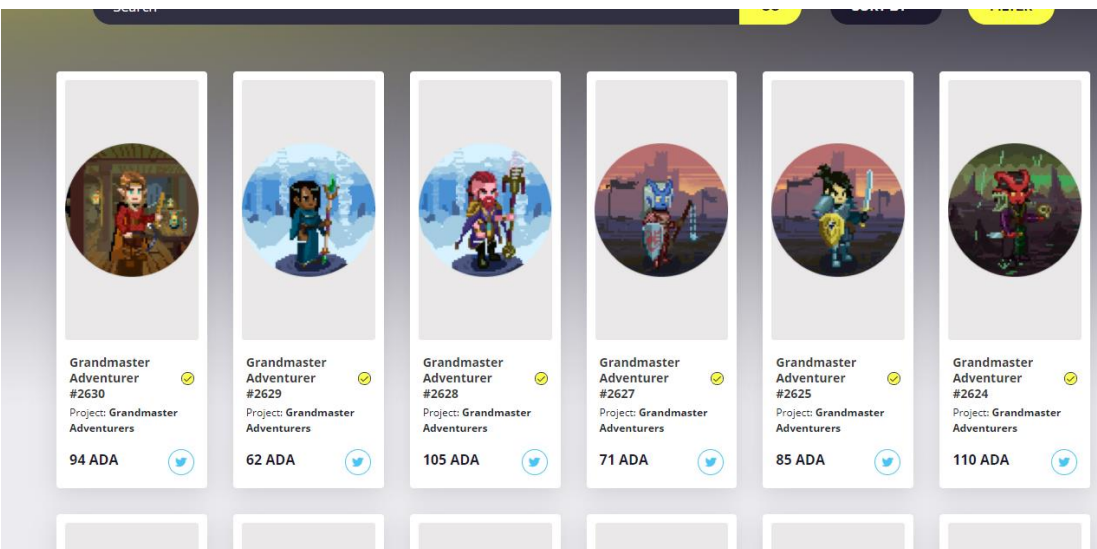

- 1. Open your CNFT.io browser (NOTE: first make your cnft.io account before connecting it to your Cardano wallet)**

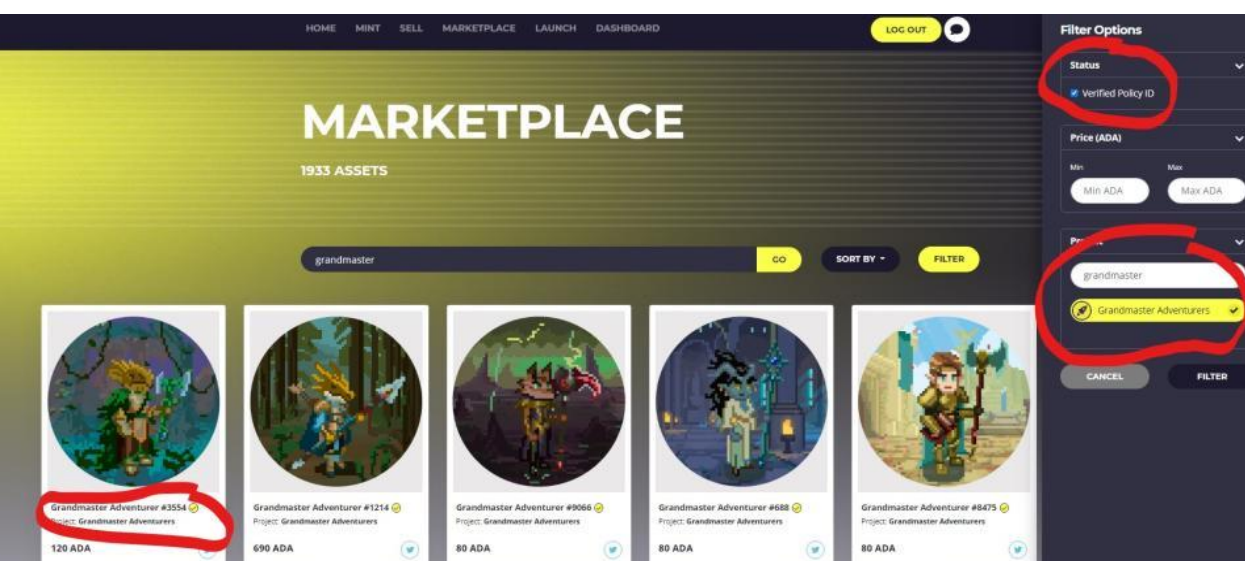

2. Click on the search bar at the top right-hand side of the website:

3. Search for “Grandmaster Adventurers” and click enter, it will bring you to the main marketplace for Grandmaster Adventurers:

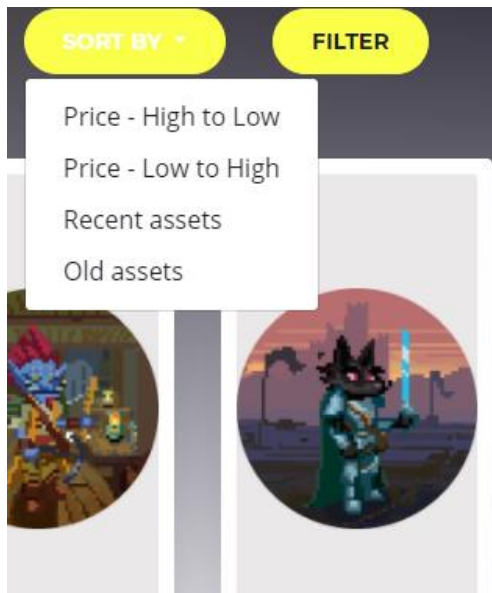

4. Once here it is recommended you click on the filter button to view all items with a Verified Policy ID and Yellow Checkmark

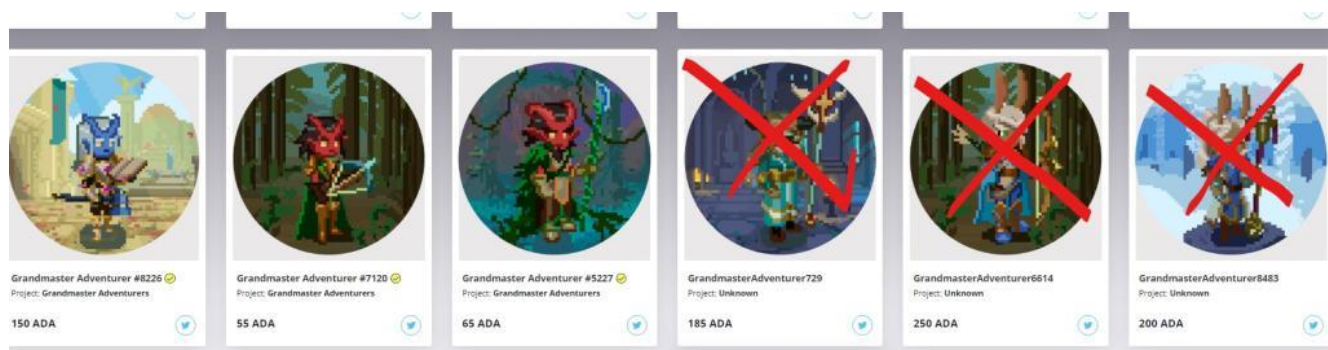

(IMAGE PROVIDED BY MOD: Kayzer)

5. When filtered to view only Verified Policy IDs, you can click the “sort by” button to choose which Grandmaster Adventurer sells you wish to view:

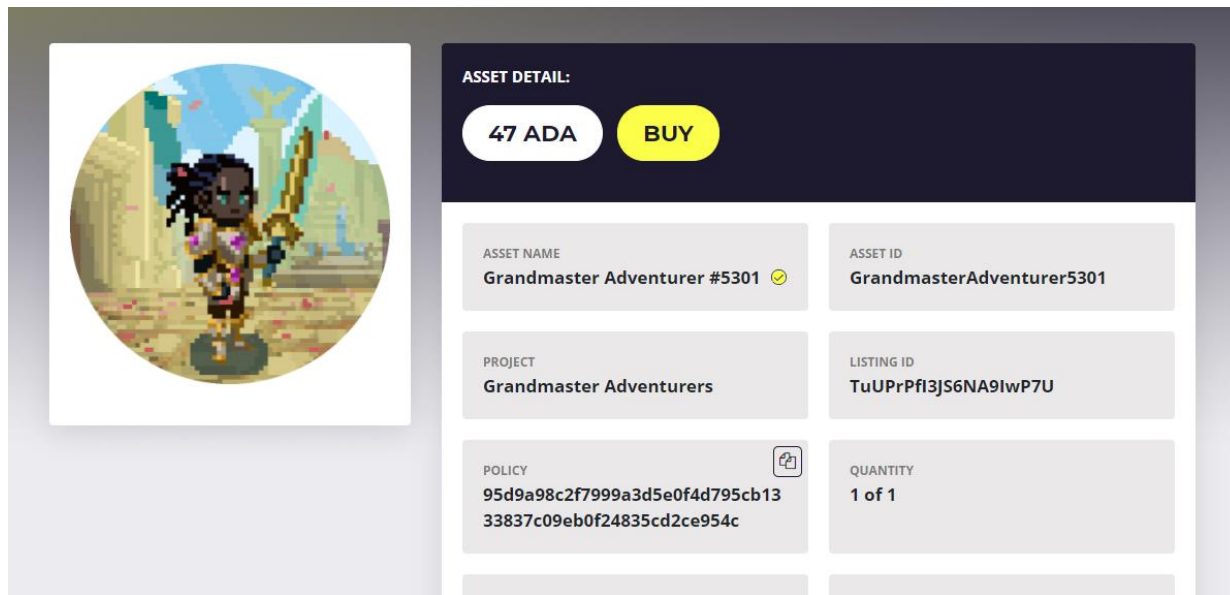

6. Once set to your desired viewership, scroll, and find your desired Grandmaster Adventurer:

NOTE:

- **Once sent you will be provided with a maximum of 24 hours to wait for the seller to send the NFT.**
- **The Seller may Cancel the exchange during the 24 hour wait in which the sent ADA will be refunded into your account**
- **You follow the same process when purchasing a Pixel Tile from secondary market, however the main sale for Pixel Tiles is still active (refer to other Guides to successfully purchase)**

10. Once the seller has sent the NFT, you will swiftly receive it in your wallet, and you will have successfully purchased your very own GRANDMASTER ADVENTURER!!

Success!

The transaction is now complete!

Buyer - You will see your brand new NFT in your wallet!

Seller - You will see the sale amount (minus our comission and Cardano network fees) in your wallet!

Thank you for using CNFT.IO
